THREAT TO "MYRNA's" COVER.

From: NEW YORK

To: MOSCOW

No.: 1673

30 November 1944

To VIKTOR.  
Copy to VADIM[1].

Allen WARDWELL [UORDUELL][i1] wrote a letter<sup>t.</sup> GRANDFATHER [DED][iii] in which he asks for advice about [the person][a] in the Union[b] with whom an agreement should be made regarding the setting up of a parcels office [B% in WASHINGTON], which is being planned by WARDWELL's friend - John ROTHSCHILD [DZHON ROTSHIL'D]. Inasmuch as ROTHSCHILD's plan directly threatens the existence of MYRNA's [MIRNA][i1] cover, we think it necessary through GRANDFATHER to advise WARDWELL [U.] to approach Comrade MIKOYAN[v] direct (which is what he himself is contemplating doing) and for us to report to Comrade MIKOYAN that[c] [3 groups unrecovered] the setting up of this [B% office]. Telegraph your decision.

For the time being through GRANDFATHER we are answering WARDWELL [U.] that the question is being gone into and we will give an answer in a few days' time.
