RE-ISSUE

"TAIN's" REQUEST TO BE SENT HOME (1944)

From: NEW YORK

To: MOSCOW

No: 1126

5 Aug. 54

To VIKTOR<sup>[1]</sup>.

After a prolonged illness and four months in hospital the 6-year old [Q. son]

[61 groups unrecoverable]

spontaneous process, does not propose any treatment. TAIN [TVEN]<sup>[ii]</sup> insists on his being sent home pointing to the fact that he has been relieved of probationers [ST. ZHERY]. If in our doctor's opinion it is dangerous to transfer the child at the moment T. <sup>[iii]</sup> asks permission for his return home for the time being without his family.

The STORE [MAGAZIN]<sup>[iv]</sup> has received word from the COMBINE [KOMBINAT]<sup>[v]</sup> about sending T. off.
