In your financial letter of 29 May [1 group unrecovered] special rated increase [3 groups unrecovered] was calculated for the period September 1938 through September 1944 both for cipher work and for prolonged meritorious service. Since January 1936 through September 1938 FILIPP[11] was actually in the service [4 groups unrecovered] and there wasn't much cipher work therefore the rated increase for cipher work in his opinion should be calculated [1 group unrecovered] 1936, taking [1 group unrecovered] enrolment in the actual service and should [5 groups unrecovered] percent. Report what rated increase to pay FILIPP.
