112481	7/27/2021	This is a request on behalf of The James Madison Project ("JMP") and Adam Entous (hereinafter referred to jointly as "the Requesters"). In August 2017, media outlets began reporting that U.S. Government officials working in the U.S. Embassy in Havana, Cuba, were subjected to an "acoustic attack" that resulted in health problems. The attacks were believed to have begun in mid-November 2016 and lasted until Spring 2017, forcing U.S. Government officials and their family members to seek medical treatment. The Requesters seek copies of records created, received and/or maintained by the NSA, including cross-references. Specifically, the Requesters are seeking the following: 1) Any records regarding attacks on U.S. Government personnel in Cuba, including, but not limited to, factual findings on the source and nature of the attacks, details on health problems identified as resulting from the attacks, and substantive determinations regarding diplomatic and/or political actions taken in response to those findings. You may limit this paragraph created on or after March 1, 2019; 2) Any records regarding attacks on U.S. Government personnel in China, including, but not limited to, factual findings on the source and nature of the attacks, details on health problems identified as resulting from the attacks, and substantive determinations regarding diplomatic and/or political actions taken in response to those findings. You may limit this paragraph to records created on or after March 1, 2019; and 3) Any records regarding any attacks on U.S. Government personnel anywhere in the world, but with specific attention to the Soviet Union/Russia, Cuba, and China, including, but not limited to, factual findings on the source and nature of the attacks, details on health problems identified as resulting from the attacks, and substantive determinations regarding diplomatic and/or political actions taken in response to those findings, Records on "attacks" can excl
