Case #	Origination Date	Receive Date	Requester	Subject	Disposition
101227	28-Mar-17	30-Mar-17	DANIEL RIVERO	(U) This request is in regard to a policy change that was made public by the Transportation Security Administration on March 20, 2017, regarding the ability of individuals to travel with electronic devices larger than cell phones on their person on inbound flights from many nations in the Middle East and North Africa, and any other countries that might subsequently be subjected to the same restrictions. Requesting all documentation, including all reports, notes, memoranda, correspondence, emails, documents, contracts, agreements, statements, or other information about or in connection to intelligence that might have played a role in the new policy being created. Further, I am requesting any documents, emails, memoranda, reports, notes, correspondence, or any other information in connection to how the National Security Agency is collaborating with the Transportation Security Administration or other federal agencies in executing the new policy.	Not Agency Record
