75111	25-Sep-2013	Nate Jones	I request the following· The NSA's watch list (later code-named MINARET), which is cited in the declassified NSA History American Cryptology during the Cold War, 1945-1989· Book III: Retrenchment and Reform According to the declassified history, by 1973, the watch list contained over 1,600 names and included such personages as columnist Art Buchwald, journalist Tom Wicker, civil rights leaders Martin Luther King and Whitney Young, the boxer Muhammed Ali, and even politicians such as Frank Church and Howard Baker (Page 85, attached.) As you review this list for release under FOIA, please also conduct a line by line review for declassification (see DOD regulation C5.3.5.2 2), and release all segregable material To permit me to reach an intelligent and informed decision whether or not to file an administrative appeal of any denied material, please describe any withheld records (or portions thereof) and explain the basis for your exemption claims	No Records
