To lir. Wm. Friedman, War Department, WASHLIGTON.

17.6.42.

Dear Friedman,

This is to introduce Squadron Leader Caroe who is going to Washington for an unspecified time. He has worked in the Air Ministry purely on the compilation side.

That branch of the Air innistry are all fairly new, but they seem to have acquired a fair grip of their job. At the same time I am certain that Caroe would be receptive of any help or criticism from a new angle.

At what stage of the proceedings we shall be able to send over someone equivalent from the War Office I do not know.

Yours sincerely,

Lieut.Col.J.H. Tiltman, Cdg.No.4 I.S., c/o. M.I.8, The War Office, LONDON. S W.1.
