Attention: Mr. Eugene B. Power

Dear Mr. Power:

Thank you for your letter of April 7th. I am enclosing herewith one microfilm copy of "German Military Ciphers from February to November 1918" and check for three dollars forty cents (\$3.40). Please make and send me one Microkerox book. As I count them there are 68 pages which should make the cost \$2.74. I assume there is some charge for postage and that my count may not be correct for your processing method. Hence, I have sent the \$3.40 and hope that it is sufficient to cover the total costs.

I will take immediate steps to publicize the availability of the book as soon as I know that the microfilm is adequate for your purposes. I will write to those dozen or so people with whom I correspond constantly on matters cryptographic. In addition I will notify the American Cryptogram Association so that they might mention it in their quarterly magazine.

Thank you very much for your cooperation. I hope the book will enjoy a large demand.

Very truly yours,

EMD
