

Dear Bill:

It was most kind of you to call us on the phone from Menton, and we were happy to learn that you liked the place and that Carola had taken good care of you.

Also that you found our credit rating high!

We are now leaving for London in a couple of hours, but I wanted to tell you that

1. I have talked to Dr. Landis, and he will send me the lab. tests and a new prescription, which I shall forward,
2. There is quite some material available with regard to the Crypto book, it goes back to the early twenties, and it should therefore be possible to reconstruct the most important points, at least.

We do hope that the weather will stay good, and that you will continue to enjoy your stay on the Cote d'Azur.

With affectionate regards from both of us, to you both,

Sincerely
