Dear Mr. Friedman:

Please find enclosed a copy for one of the pages from Consumer's Report which describes an inexpensive home copying machine.

I have seen the same machine advertized in some stationery stores and if you both have the same interest, I would be most happy to look into this machine.

Please also remember that my offer that Mr. Dobler or I would come and pick up any material for which you would like to have a larger amount of copies still stands.

Give my best regards to you and Mrs. Friedman.

Sincerely yours,

Bo.
