Dear Professor Wilks:

Thank you very much for your letter of 22 December 1952, and for your willingness to serve on our Advisory Board, despite the burden of other obligations making heavy demands on your time and energy.

The final determination of the composition of the Board has taken longer than was anticipated, so that the first meeting, tentatively scheduled to begin on 26 January 1953, has had to be postponed for about one week. Just as soon as a firm date is known I will advise you promptly, so that you may have at least a three weeks advance notice thereof.

I am looking forward to meeting you at the first session of the Board.

Sincerely,

RALPH J. CANINE  
Major General, US Army  
Director
