Dear Sir:

This Agency is interested in learning something about the type of studies conducted by the Survey Research Center for large industrial organizations, with a view to improving the "internal communications" of such organizations. I would appreciate your sending me copies of any brochures telling the story of what you have to offer in this field of investigation.

If there is to be a charge for the material requested, please notify this Agency before sending it.

Sincerely,

WILLIAM F. FRIEDMAN
Consultant
