Dear Mr. Quarles:

The next meeting of the National Security Agency Scientific Advisory Board (NSASAB) will be held on Thursday and Friday, 15-16 October 1953, commencing at 1000, at the Naval Security Station, 3801 Nebraska Avenue, N.W., Washington.

The report of the Special Study Group will be formally presented for the approval of the Board at this meeting. In addition, such other matters as may be of particular interest to the Board will be discussed.

Your participation in the deliberations of the Board during the entire session would be most helpful but I can readily understand that you may not be able to attend the meetings on both days. I would appreciate your advising me in advance whether you will attend this session and if so, on what day or days.

Sincerely,
