Dear Rai:

With reference to your letter of 17 January, and in confirmation of our telephone conversation 28 January, we are delighted to know that you may be available as early as the week of 15 February to help out on some of our problems. However, I think it might be wise for us first to discuss the work we have in mind and some of the arrangements. A problem arises in connection with the protection of your Social Security Annuity and I should like to have our people go over the whole matter with you. Please let me know what date might be convenient for you to discuss this.

Sincerely,

WILLIAM F. FRIEDMAN
