 Chief, Electronics Division  
 Headquarters  
 Air Command and Staff School  
 Maxwell Air Force Base, Alabama

Dear Colonel Griffin:

In receipt of your letter of 27 July 1953, and on finding that the date you selected for my talk before the student officers of the current term of the Communications-Electronics Staff Officer Course conflicted with other engagements, I telephoned your office to see what other dates might be available for me. I was fortunate in reaching Wing Commander Carr and found that 26 August would be mutually acceptable, the talk to begin at 0900 and to continue until noon. This letter is to confirm that date and time and to say that I will let you know later the time and date of my arrival at Montgomery.

Looking forward to seeing you, I am,

Sincerely,

WILLIAM F. FRIEDMAN  
 Special Assistant

W/R: Col. R.W.Griffin, USAF, Maxwell AFB, requested that Mr. Friedman present a lecture at the C-E Staff Officer Course on 1 Sept. Due to other commitments Mr. Friedman is unable to lecture on that day. Mr. Friedman called Col. Griffin's office and arranged with Wing Ddr Carr to change the date to 26 August which was mutually agreeable.
