 Radio Corporation of America
 Princeton, New Jersey

Dear Dr. Engstrom:

I have received your letter of 22 July 1953 in which you indicate your decision with regard to our invitation extended to you to become a member of our Advisory Board. It is with much regret that I learn of your inability to accept at this time and will with considerable reluctance have to abide by your decision.

Thanking you for your kind consideration and for your courtesy in taking the time to visit with me at the Cosmos Club, I am,

Sincerely,
