Dear Dr. Wilks:

I am gratified at your acceptance of the invitation to be a member of our new Mathematics Panel in addition to your current service as a member of the Advisory Board itself.

As you undoubtedly remember, the next meeting of the Board will be held sometime this spring. At that time it is intended that a report on the panels' membership be submitted to the Board together with some problems that can be referred for specific panel action. Subsequent to this Board meeting, actual panel activities should be initiated.

I wish to thank you for your ready acceptance of my invitation, since it is indicative of your continuing active interest in our problems.

Sincerely,

RALPH J. CANINE
