Dear Mr. Eckert:

Our security people have called my attention to some quite minor defects in your recently submitted Personal History Statement and have suggested I write you for certain details. Referring to the inclosed Personal History Statement, the items in question are as follows:

- #5. Date and place where birth certificate is recorded.
- #9. Date and place of birth of father and mother.
- #10. Relatives living in foreign countries. (If none, so state.)
- #12. Immediate Supervisor's name should be recorded in each case.
- #14. Residences during past 15 years. Your listed residence from 1925 to 1944 is 1006 W. Cliveden Street, Philadelphia, Pennsylvania; but on the supplementary sheet it is listed as 111 W. Mt. Airy Avenue, Philadelphia from 1919 to 1927.
- #9a. (Supplementary sheet) If there are no brothers and sisters, so indicate.
- #10a. (Supplementary sheet) This refers back to Item 10.

In addition, our security people have asked that you include the date of birth, maiden and married name of your sister-in-law who is the former employee of the U.S. Naval Guided Missile Unit #61.

It is realized that the completion of the Personal History Statement is a very arduous task and I am sorry to have to trouble you with this matter, but would appreciate it greatly if you would complete the inclosed forms as indicated and return them to us in the inclosed addressed envelope.

Sincerely,

I. F. McDONALD
