Signal Division  
Supreme Headquarters  
Allied Powers Europe  
Paris, France

Dear Harrod:

I am grateful to you and to Lieutenant Colonel Arnaud  
for the biographical sketch of General Cartier.

I would, of course, had liked much more on Cartier's  
connection with the Bacon-Shakespeare matter, but maybe there  
isn't much more than what Arnaud put down.

Please be sure to thank Colonel Arnaud for his efforts in  
my behalf.

With best regards, I am,

Sincerely,

WILLIAM F. FRIEDMAN
