Dear Boris:

EO 3.3(h)(2)  
PL 86-36/50 USC 3605

Receipt of your letter of 12 May is acknowledged.

I had hopes of being able to tell you in this letter something more about the possibility of you acquiring some M-209's, but the information I was expecting has not yet come through. I hope you will be patient for a few more days.

Everything is well with us and we send you affectionate greetings.

Sincerely yours,
