Mr. G. W. Brown
International Telemeter Corporation
2900 Stoner Avenue
Los Angeles 25, California

Dear Mr. Brown:

On 20 January 1954, the Director, National Security Agency, extended an invitation to membership on the Electronics Panel of the National Security Agency Scientific Advisory Board. Since no answer to his letter has yet been received, I feel that it may never have reached you. In the event that this is the case, I am inclosing a copy of his letter, together with its inclosures.

Hoping to hear from you soon in regard to this matter, I am,

Sincerely,

WILLIAM F. FRIEDMAN
Executive Secretary
NSA Scientific Advisory Board
