Dr. S. S. Wilks
 Department of Mathematics
 Box 708, Fine Hall
 Princeton University
 Princeton, New Jersey

Dear Sam:

This is to acknowledge your letter of 26 April 1954 in regard to the Panel activities of 20-21 May.

Your understanding of the program for 20 May is accurate, and I do not think it necessary for you to be present on that day.

Dr. Campaigne is working on a program for the activities of the 21st. The program is expected to begin at 9:00 a.m.

I am inclosing copies of your travel orders and a transportation request in connection with your 21 May visit.

Also inclosed for your convenience is an instruction sheet with the required forms so that you may receive compensation for any expense incurred as promptly as possible.

Looking forward to seeing you, I am,

Sincerely,

WILLIAM F. FRIEDMAN
 Executive Secretary
