Professor Marshall Hall  
Ohio State University  
Columbus 10, Ohio

Dear Marshall:

Thank you very much for your letter of 16 April. I am sorry to learn that you will not be able to come to the Panel meetings on 20-21 May. However, since the first meeting is designed especially for benefit of new-comers in our field, I do not think you will miss too much. I shall send you a report of the meeting.

With reference to your hope to come for a day or two in June, I thank you very much for thinking about us and suggest that we postpone a decision on that until say about a month from now, when I shall write you again.

I note with pleasure that you are planning to spend three weeks in July with SCAMP. With cordial greetings, I am

Sincerely yours,

WILLIAM F. FRIEDMAN  
Executive Secretary  
NSA Scientific Advisory Board
