Mr. John Howard
Burroughs Adding Machine Company
Research Division
511 N. Broad Street
Philadelphia 23, Pennsylvania

Dear John:

This is to acknowledge receipt of your acceptance of the invitation to visit the National Security Agency from 4-7 May to participate in the activities of the Subcommittee on General Purpose Flexible Analytic Equipment.

If you will plan to arrive at 3801 Nebraska Avenue, Washington, at 8:30 a.m. on 4 May, we will have someone at the gate to meet you.

I am inclosing copies of your travel orders and a transportation request for this trip. Also inclosed for your convenience is an instruction sheet with the required forms so that you may receive compensation for your services as promptly as possible upon their completion.

In addition to the activity of this special subcommittee, we are now planning a joint meeting of all three Panels of the NSA Scientific Advisory Board on 21 May. It is intended to devote that day to a detailed presentation and discussion of some of our technical problems and to plans for subsequent panel activities.

It is sincerely hoped that you will also be able to attend the 21 May meeting. If you will let me know that you plan to attend, I will have the necessary orders sent to you.

Sincerely,

WILLIAM F. FRIEDMAN
Executive Secretary
NSA Scientific Advisory Board
