Dear John:

Thanks for your letter of 2 March.

On the subject of Hill, I inclose a copy of a comment by Robertson, and I suggest that we follow his suggestion -- accept Hill's decision for the present and review the matter at the April meeting. However, if you disagree, please let me know and I'll write Hill along the lines you suggest.

Sincerely,

WILLIAM F. FRIEDMAN  
 Special Assistant

M/R: Acknowledgment of Mr. McPherson's ltr of 2 Mar 54. Since Prof. Hill is unable to participate in panel affairs at this time, that he recommend someone equally as well posted in the knowledge of MIT electronics research.
