Dear Larry:

This will be just a very short note to acknowledge receipt of your very nice letter of 21 June and to say that I will certainly do what ever I can and just as soon as I can.

I am home now from a second sojourn at the hospital and am doing nicely. I hope to be allowed to go back to the office some time in August.

With very best greetings to you and Mary and the rest of the people there, I am,

Sincerely,

WILLIAM F. FRIEDMAN
