Professor George E. McCracken  
977 25th Street  
Des Moines 12, Iowa

Dear George:

This will be just a short note to tell you that I had a relapse and am back in the hospital. Regardless the time when I can be "sprung" from my present domicile of incarceration I do want you to come to see me; that means either at the hospital or at home.

Sincerely,

(for) WILLIAM F. FRIEDMAN
