Dear Howard:

Today is my first day back in the office following a rather extended overseas trip on Agency matters. I am very glad to note that you not only plan to attend the 6-7 April meeting of the National Security Agency Scientific Advisory Board, but that you also plan to present a brief report on the Special Subcommittee of your Electronics Panel.

The two-day meeting is scheduled to open at 9:00 a.m. on 6 April in the Staff Conference Room (19-244) at the Naval Security Station.

I am looking forward to seeing you at the meeting.

Sincerely,

WILLIAM F. FRIEDMAN  
 Executive Secretary  
 NSA Scientific Advisory Board
