MEMORANDUM FOR THE SECRETARY OF DEFENSE

(ATTN: General G. B. Erskine, USMC-Ret,
Assistant to the Secretary of Defense
Special Operations)

SUBJECT: Housing Requirements for JSPC Sobe (U)

1. In confirmation of requirements previously supplied in conferences with members of your staff, the following information is furnished:

a. Housing requirements for personnel to man the Joint Service Processing Center are:

<u>Element</u>	<u>Family</u>		<u>Bachelor</u>	
	<u>Officer</u>	<u>Enlisted</u>	<u>Officer</u>	<u>Enlisted</u>
NSA	25		5	
USAFSS	10	50	4	
USASA	2	6	6	12
USNSG	5	45	2	30

b. The Operations Building is scheduled to be available for occupancy by 1 November 1961, with installation of the Communications Center beginning in August. In order to effectively test the installed equipment and commence operations in November, approximately one-half of the personnel for the Center will be phased in during July-August 1961. NSA, for example, anticipates that 18 NSA personnel out of a total of 25 programmed will arrive in Okinawa this summer. For planning and programming purposes it may be assumed that approximately one-half of the total personnel required will be phased in between now and 1 November 1961.

2. It is requested that the NSA requirement for housing be placed on the Department of the Army, with no grade level restrictions on eligibility for quarters. They will all be skilled technicians essential to the assigned mission.
