HARRISON

Dear Captain Harrison:

My tardiness in replying to your letter of 11 March is to be attributed to the fact that our personnel people were unable to establish telephone contact with the man about whom you wrote me. Finally, they got in touch with him through a brother of his, who is a local physician and proper forms to be completed by the young man have been sent him. He appears to have good qualifications for a position in our organization and I assure you that most careful consideration will be given his application.

Reciprocating your kind regards, I am,

Sincerely,

WILLIAM F. FRIEDMAN

Dear Colonel Friedman:

One of my senior engineers advised me a few days ago regarding the forthcoming discharge of his son-in-law from the Marine Corps Reserve, the man in question being a 22-year old Sergeant, whose experience is as outlined in the attached letter of 5 March addressed to me.

In view of this man's highly specialized training and years of experience, plus the fact that he has undoubtedly been able to satisfy the high standards required by the Marine Corps, I think he would probably make a useful recruit for you if you have a vacancy in the categories in which he has specialized experience.

If the matter is of interest to you, I would appreciate it if you would deal with it through your normal channels, and if, in addition, you would let me know what your decision is, this also would be much appreciated.

Best regards.

Sincerely,

E. W. Harrison
