Dear Mr. Pierce:

Receipt of your letter of March 31 is acknowledged. Thank you very much for your congratulations and kind words. I had hardly expected the news of this award to get as far as New York but apparently it has.

It has been a long time since we have had a "get-together" at the Bell Labs but I am expecting to be up there sometime soon and maybe I will get a chance to see you.

With cordial greetings, I am,

Sincerely yours,

William F. Friedman

Dear Mr. Friedman:

I noticed the announcement of your recent decoration by General Ingles and I wish to congratulate you on this recognition of your work. Having had some knowledge of your work over the years, I know that this recent honor is well deserved and a small compensation for your contribution to the war effort.

Yours very truly,
