

Office Memorandum • UNITED STATES GOVERNMENT

TO : DIR TNG

DATE: 28 Jan. 1958

FROM : TNG-04

SUBJECT: Mrs. Friedman's Proposed Contract

I concur in Mr. Callimahes' and Mr. Lowman's opinions, and feel that a series of lectures such as that proposed would not only be of value for training purposes but also of absolute historical worth.

It goes without saying that TNG-04 will be pleased to provide the language research assistance to which Mrs. Friedman refers.
