

WAR DEPARTMENT  
OFFICE OF THE CHIEF SIGNAL OFFICER  
WASHINGTON

May 16, 1933

MEMORANDUM TO: Patents Section THROUGH War Plans & Training Division  
and Research and Development Division.

Herewith is a draft of specifications and drawings  
applying to the cipher machine now being constructed at the  
Signal Corps Laboratories, Fort Monmouth. It is requested that  
they be used as a basis for drawing up an application for patent  
to cover this machine.
