M134T1

IN THE UNITED STATES PATENT OFFICE

In re application of
William F. Friedman et al.,
Filed January 23, 1932,
Cryptographic System
Serial No. 588,344

Div. 53, Room 6897
September 30, 1935.

Hon. Commissioner of Patents,

Sir:

Responsive to Patent Office Action of April 1, 1935.

Applicants' file record appears to be in agreement
with the Office as to the claims standing in this case.

It is noted that claims 3 - 17; 19 - 23 ; 25 - 32 and
34 - 39 inclusive are indicated as allowable, whereas claims 40 - 50
stand finally rejected.

In order to put this case in condition for allowance, can-
cellation is directed of finally rejected claims 40 - 50 inclusive, but
without intention of abandonment or of relinquishing the rights of applicants'
to the subject matter therein claimed.

Respectfully

William F. Friedman et al.,
