

United States Patent Office

Washington

Vanderwerker and Rowe.

William F. Friedman, et al
Serial No. 588344
Filed January 23, 1932
Cryptographic System

June 21, 1933.

Responsive to amendment of June 19, 1933.

The amendment filed June 19, 1933 is not a complete response to the office action of December 22, 1932, applicant having apparently overlooked the rejection of claims 1 to 3 inclusive. In order to avoid a possible abandonment of this application applicant should promptly file a supplemental amendment relating to claims 1 to 3 inclusive.

Examiner.
