

IN REPLY REFER TO

WAR DEPARTMENT  
OFFICE OF THE CHIEF SIGNAL OFFICER  
WASHINGTON

December 10, 1937.

Subject: Cryptographic Apparatus  
Improvements in Converter M-134-T1  
Patent Application, Ser. No. 157,383.

To: Mr. William F. Friedman,  
Cryptanalyst,  
War Plans and Training Division,  
Office of the Chief Signal Officer.

1. This will report the first action of the Patent Office in the above case. Copy is sent herewith for your files of the Examiner's letter of December 3, 1937, together with printed copies of the cited reference patents.

2. The main objection of the Examiner is directed to clearness of disclosure. Admittedly, the references are not regarded by the Examiner as even having sufficient importance to limit the scope of the claims.

3. Your comments and suggestions are requested in due course to assist in the preparation of an appropriate reply to the official letter, bearing in mind that the time for filing the response will expire June 3, 1938.
