REMARKS			
<p>1. U.S. sent 350 M-209's to French Indo-China forces just before the war there ended. Hence, it is very doubtful that these machines were even taken out of the 88 boxes in which they were shipped.</p> <p>2. Do you think we ought to recommend getting them back?</p>

## Office Memorandum • UNITED STATES GOVERNMENT

TO

Mr. Friedman Secret

DATE:

25 October 1954

FROM

NSA 41

SUBJECT:

It appears that the M-209 mystery has finally been cleared up. After checking and rechecking all over the country, someone finally read the receipt. As you will see, it covers all items on the manifest, a total of 2,576 boxes. Item no 2586 consists of 88 boxes of M-209s (350). I apologize for having allowed the matter to take so long

CClory

Received 1 Apr 54 in good  
condition 2876 boxes mentioned  
listed on the face of this sheet.

---

English translation  
of French receipt
