FILE NO. SPSOR-2

SUBJECT: War Reserve Equipment

TO: Chief, Army Communications Service

FROM: Logistics Planning Branch, 3D-339 23 May 45

Major Decker/73609

1. From comments made by Colonel W. W. Parker, Plant Engineering Agency and Captain L. A. Rollins, Army Communications Service, in recent conferences on Signal war reserve, it is understood that few, if any, fixed plant items will be recommended for inclusion in war reserve.

2. To complete preliminary assumptions and plans, which are expected to be brought to the attention of the Chief Signal Officer in the near future on this subject, it is requested that Army Communications Service transmit comments and recommendations relative to the types of fixed plant and signal security items appropriate for war reserve, to Plans and Operations Division by 31 May 1945.
