Lieutenant-Colonel J. O. Mauborgne,
Office of the Chief Signal Officer,
Washington, D. C.

My dear Colonel Mauborgne:

I am in receipt of your letter of March 31, in regard to the printing telegraph cipher arrangement.

I note what you say in regard to the possibility of official action in connection with the matter, and I shall be interested in knowing the progress of events. I have no objection to your using any of the correspondence which I have sent you in regard to this matter, in case you desire to do so.

Yours very truly,

Acting Chief Engineer.
