~~TOP SECRET ULTRA~~

From: Bangkok (SIAM)
To: Tokyo (AUSTIN (Head, General Affairs Department))
4 June 1945
JAS

*Source date
about as before
on file in diplomatic
office me*

There are indications that recently both England and America have been working on the solution of Japanese codes. Their hands seemed to have even reached into the telegraph offices in this country. Therefore, I feel that it is vital that the Army, Navy, and (? Foreign Office) change their codes in general, and also that they construct special difficult codes for ~~their~~ secret use and distribute these to the important places.

For your reference.
