3.

2. In regard to furnishing the Navy with the material requested for the purpose of turning over the documents to the [redacted] the course indicated in Par. 2 of Action 1 is believed to be warranted and should be affirmed as a general policy for the guidance of AS-70.

3. This case again shows further need for prompt action leading to the establishment of ANCRECC. In the meantime it is recommended that AS-70 be requested to contact the Navy informally with a view toward ascertaining, if possible, what Navy projects are underway or are contemplated in the ciphony and cifax fields. This may bring to light [redacted] interest and may be helpful to the ASA in preventing useless or unprofitable duplication of effort.
