Air Transportability

Director of Intelligence  
Attn: Army Security Agency

Res. &amp; Dev. Div., WDGS

5 Sep 1947 COMMENT No. 1  
Major Horridge/jo/3663

1. Reference is made to Disposition Form, Comment No. 1 from your office to the Director of Research and Development, dated 31 July 1947, subject as above, File No. WDGAS 523, forwarding your comments on the proposed War Department Air Transportability letter.

2. It is not believed that the proposed War Department letter is the appropriate instrument for your suggested paragraph concerning standardized means of electrical interconnection. It is suggested that you forward your recommendations in this matter to the Army Air Forces and the Signal Corps for their consideration of including such a requirement in Technical Committee considerations of electrical equipment.

3. Staff action on the proposed War Department letter is nearing completion and the letter should be published in the near future.

FOR THE DIRECTOR OF RESEARCH AND DEVELOPMENT:
