Office Memorandum • UNITED STATES GOVERNMENT

TO : Mr. Friedman

FROM : Capt. Lane

SUBJECT: Menus for Cafeterias

DATE:

These menus from various cafeterias were brought in by Mr. Wilson and he will be glad to discuss them or any further action desired by you and any time you wish.

I have called various offices in the Navy including the Bureau of Personnel (mess and finance) and Shore Installations without being able to locate any regulation for messes other than shore messes for officers, or enlisted personnel. Bureau of Personnel (mess and finance) said they had no cognizance over such matters; Shore Installations simply referred me back to the first office in Bureau of Personnel. I explained this to Mr. Wilson and he said that he would try further. Personnel (Col. Wyman) has a copy of Navy Regulations, but again only shore installations relating to messes (officers etc) are treated.
