

ADDRESS OFFICIAL COMMUNICATIONS TO
THE SECRETARY OF STATE
WASHINGTON, D. C.

DEPARTMENT OF STATE
WASHINGTON

February 22, 1944

Colonel W. P. Corderman,
Chief Signal Security Agency,
Room 3C-340
Pentagon Building.

My dear Colonel Corderman:

We have very urgent need for cipher machines at Madrid, Spain and Istanbul, Turkey. I understand that the War Department has four machines wired for this Department and ready to be turned over. If the War Department has no objection this Department would like to send two of these machines to Madrid.

Will you kindly advise me if the War Department is agreeable to this procedure.

Very truly yours,

David A. Salmon

Special Consultant
to the Assistant Secretary, Mr. Shaw.
