 JAS

#407, Part 1^a.

To the Chief of the Central Special Intelligence Bureau. Study of U.S. codes.

1. Re the new type U.S. code sent from Moscow inquired about in your wire #97^b. The Finns are studying it now and they'll probably let us know when they get any results.

2. By using the Vichy number keys which were reported to Japan, the Finns have solved the following codes:

(1) Beirut - Washington, from November 1942 to July, 1943. Strip 33-1 ...^c

a - Part 2 not yet readable.

b - Not readable. — See C-145 10/10/43

c - Continued in next part.
