American Codes

1. In my next telegram I am sending you "STRIP" 76-1.
2. In my wire #102 I am sending 0-2, 0-1, (These have already been read.), some telegrams we have collected together with the portions read (English text).
3. We are now having a copy of Military Intelligence Code -12, drawn up. I think we have a great deal of material here and would like to get Col. HAYASHI'S opinions. (The "random table"^a in my last wire was a mistake for "conversion table"^b).

a - Ransūhyō.

b - Kacjihyō.
