1st. Beginning on the 21st of this month, instruction will be given, through Major HORIUCHI, on the results of Finland's work on the Russian Army's new 5-digit code. No special expenditures will be necessary for this. (HORIUCHI is to leave this country at the end of this month, in order to return to Japan.)

2nd. The directional detector requested by Lieutenant Colonel TSUNEYOSHI has been completed, and will be sent to Berlin as soon as possible.

3rd. Finland has done no work whatever on Russia's diplomatic code. Therefore, if you have any materials on it, please send them by Captain HIROSE.
