Miss Eugenia D. Lejeune
Librarian, George C. Marshall Research Library
Lexington, Virginia, 24450

Dear Miss Lejeune:

I want to thank you for your kindness and cooperation in assisting Dr. Hesse and me on our visit to the Library. You and your staff helped make it a productive and enjoyable visit.

On our return, General Carter asked me if the Library has copies of the two small books I have done, and, since I am quite certain the Library does not, I am sending copies to you.

Again, our thanks - and very best wishes.

Sincerely,

Vincent Wilson, Jr.
