Dear Dr. Wilson:

Thank you for your nice letter. It was a pleasure to have you and Dr. Hesse here and you were very helpful to me in regard to the Friedman Collection. I will probably be calling on you from time to time.

We have removed the Riverbank series from the boxes and I enclose a list of what we found to be extra copies. I also checked to be sure that each one was included in the Collection. As you can see, we are somewhat limited in sale of entire sets with only 2 original and 20 photo copies of No. 15, plus only 16 copies of No. 16. The photo copies are very nice and I have the negatives but I assume use of a photo copy would cut down on the price we could get for a set.

If you know of anyone interested in either a set or individual issues, we would appreciate hearing from you.

Sincerely,

E.D. Lejeune
