

Trip Report: Visit to Marshall Library 24-25 July 1975

Mr. Vincent Wilson, Jr. of E51 and [redacted] of G03 visited the George C. Marshall Research Library in Lexington, Va., on 24 and 25 July 1975 and accomplished the following:

1. Delivered an ENIGMA cipher machine to the Library--on indefinite loan. The machine will be displayed in conjunction with cryptologic equipment belonging to the Friedman Collection. It was agreed that the machine would be displayed in a locked case.
2. Delivered photographs of the dedication ceremony of the Friedman Memorial Auditorium--and described the ceremony, etc.--for coverage in the Marshall Library Newsletters.
3. Reviewed and declassified several hundred books, pamphlets, documents, and other items in the Friedman Collection over 30 years old, following NSA guidelines for declassifying.
4. Agreed to explore the possibilities of the cryptologic history staff assisting the Library in producing an unclassified 20-30 minute video tape or film biography of William Friedman.

Vincent Wilson Jr.
Chief
Cryptologic History Staff
